April 2024 Newsletter

Curriculum

This term the connected curriculum themes are:

Class one – The Farm Shop

Class two – Water, Water, Everywhere

Class three – Amazon Adventures

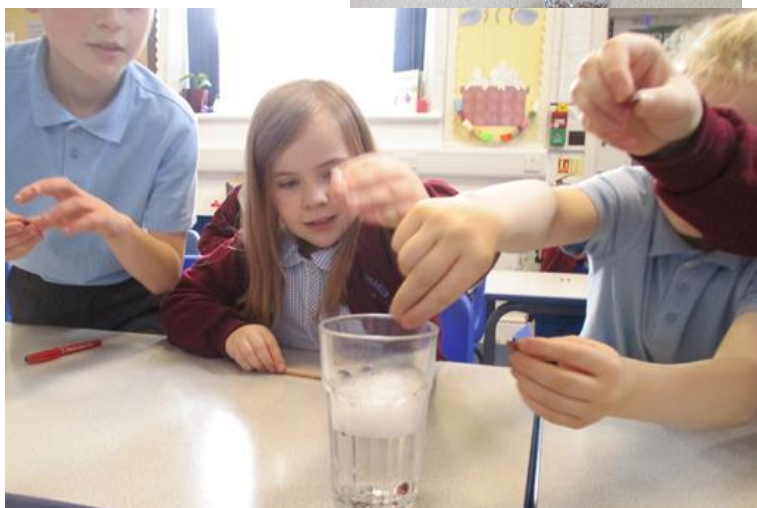

Inside class one, a smallworld farm has been set up for the children to enjoy.

The children have also enjoyed the farm scavenger hunt looking for different pictures of farm animals around the playground.

In class two, the children were investigating carbon dioxide in fizzy drinks – weighing the gas and making raisins dance!

The children were fascinated watching the raisins dance!

Lunch with the teacher

Ellie chose lunch with Miss Lacey for winning the dojos this week!

The children in Key Stage two have been learning 'The Lord's Prayer'. They completed some individual art work to represent this.

Harrison was very creative.

Hop into Spring

Thank you very much to Joshua and Harrison, our Sports Councillors, who organised our 'Hop into Spring' sporting event which was so successful and enjoyable for the children. In addition, they managed to raise £1700 for extra sports equipment for the children. Thank you very much for your generosity.

SHINE

The Shine enterprise event raised £153.70 which will be used for activities for our children.

Easter Bingo

Thank you to the Friends of Dalton for organising the Easter Bingo. Another successful and enjoyable evening which also managed to raise £262.70. Thank you for your support.

Roof Repairs

As you may have noticed, the scaffolding has now moved so you can see the beautifully restored bell tower. We are now waiting for some dry days to replace the bargeboards and paint the apex at the front of school. Thank you for your patience!

Assessments

During this term statutory assessments will take place as well as internal ongoing assessments.

Extra-Curricular clubs in the Summer term

Thursday Homework Club for Y6 (until 4.15pm)

Thursday Lunchtime Reading Club for class 2
